

Directions to Media plaza and Supernova

Car

If you are driving to Jaarbeurs, it's important to plan in advance which parking lot (P2, P4 or P6) you will use. For a parking space close to Media Plaza and Supernova, we recommend parking lot P4. For this parking lot, you can use 'Truus van Lierlaan, Utrecht' as your navigation address. Alternatively, follow the blue ANWB signs from the Ring Utrecht that indicate 'Jaarbeurs'. If P4 is full, you can also park in P2 or P6. See the map on the next page for more details.
